The Cedar Practice operates a ZERO TOLERANCE policy

OUR COMMITMENT

The Cedar Practice is committed to working in partnership with their patients.

OUR POLICY ON ABUSIVE BEHAVIOUR

It is our policy that all staff will treat users of our services politely and with respect. In return, we expect to be treated in the same way.

This means that we will not accept verbal abuse, harassment or violence against either our staff or service users under any circumstances.

Should either our staff or users of our services encounter any violence or threatening abusive behaviour, we will take firm action.
